EXPERIENCE

Lead Product Designer | End-to-End UX/UI Solutions
JPMorgan Chase & Co | Palo Alto, CA | 2021 – Present

- Lead design for enterprise platforms enabling bankers, appraisal specialists, and marketing/event teams to operate within a unified ecosystem, ensuring consistency across digital products by leveraging the Salt Design System.
- Designed AI-assisted data extraction and comparable property analysis tools, enabling appraisers to validate market data faster and reduce manual entry.
- Led end-to-end design for gated and ungated digital marketing and banking platforms, partnering across functional teams to deliver cohesive, launch-ready experiences aligned with strategic business goals. (Confidential work; public reference: story.jpmorgan.com)

Lead Product Designer | UX/UI & Visual Design Strategy
Contract | San Francisco, CA | 2017 – 2021

- Directed UX/UI and visual design across multiple web and mobile products, including Game Seeker, Onia, The RealReal, Captain Kona, and more.
- Won 1st place at Ludum Dare game jam "Bento Bugs," creating all art assets and core game design in 72 hours, outperforming 2,000+ entries worldwide.

Product Designer
GLOBAL ISSUES NETWORK | San Francisco, CA | 2021 – 2021

- Designed and established a cohesive visual identity for Global Issues Network, enhancing brand recognition and consistency across digital platforms.

Creative Director
IPMD.INC | San Francisco, CA | 2020 – 2020

- Directed the end-to-end UX strategy and redesign for the corporate site and Project M beta, partnering with the CEO/CTO to deliver launch-ready products and high-stakes investor pitch decks that supported brand growth and fundraising.

Product Designer
COURTBUDDY.COM | San Francisco, CA | 2020 – 2020

- Assisted a design team in reshaping the future of CourtBuddy's visual presence and core interface across all of its products.

UX Designer
SFDPH | San Francisco Department of Public Health | San Francisco, CA | 2019

- Led comparative and competitive market research for Gender Health SF, a service within the San Francisco Department of Public Health.
- Created initial wireframes and hi-fi interactive prototypes for SFGov.org.
- Align Gender Health SF's new site with the existing SFGov.org style guide.

Business Owner
SUKA | San Francisco, CA | 2015 – 2017

- Managed a team of 15+ employees across front- and back-of-house operations while developing the brand identity and building a customer-facing website for orders, promotions, and business information.

Graphic, Web & Interaction Design
FREELANCE | San Francisco, CA | 2008 – 2015

- Created brand identities, websites, and marketing materials for 20+ clients across personal and commercial projects—driving measurable sales growth for brands including Pinecrest Diner, Planet Organic, Burmese Kitchen, and Regali Tutti I Frutti.
